

CHIMES TRANSPORTATION AGREEMENT

I, _____, am assigned to ride on the following mode of
(Name of person served)
 transportation to and from the day program:

Check Mode Used	Mode of Transportation	Conditions of This Type of Transportation
	Paratransit/MTA mobility	The number of riders vary per trip based on capacity of vehicle and attendance. Drivers are employees of MTA or their contractor for mobility transportation. These drivers have not completed the DDA required trainings. The total time spent during transport is considered unsupervised time. In the event an incident occurs, the driver pulls off the road and calls for help as aides are not assigned to the vehicle.
	Chimes Van	The number of riders vary per trip based on capacity of vehicle and attendance. Drivers are Chimes employees and have successfully completed DDA required trainings. The total time spent during transport is considered unsupervised time. In the event an incident occurs, the driver pulls off the road and calls for help. Aides may be assigned to a vehicle based on needs of the passengers.

I agree to these conditions and to the mode of transportation to which I am assigned.
